Grand City Show Skiers Come to Lakeview

By Lane Leppink

Last Saturday, Tamarack Lake was host to a second water ski show performed by the Grand City Show Skiers of Mona

Lake. With superior lake conditions as a result of weed control efforts that had been orchestrated by the Tamarack Lake Improvement board months in advance, timed with

Mother Nature's perfect mid-summer weather, the stage was set for an afternoon of great fun.

The ski show was scheduled to begin at 5PM, Saturday afternoon, but the

preparation was almost equally as entertaining to watch. The Show Skiers' entourage of trucks, cars, trailers and boats began to arrive in Lakeview early that afternoon. It was

magic watching the 40 to 50 members of the water skiing 'family' set on the back-stage just down the lake shore of Lakeside Park. Show members of all ages were lining up equipment, arranging their wardrobe and make-up, and practicing and warming up for the upcoming show. In almost choreographed timing, the armada of Mastercraft and Boston Waler boats along with the floating ski jump and starting dock/pontoon used in the show made their way across the entire length of Tamarack Lake, in preparation for the 5PM hour. As the show was organizing, it was obvious that people were getting excited as well. Groups of onlookers in folding chairs started forming along the Lakeside Park shore, and then boats of lakes guests started showing up.
