Strike Them Down and Split!!!

Brinley Skaggs - Captain of the Wildcat bowling team going to state

By Mindy Raglin

The Lakeview Wildcats bowling team had their regional matches on the 19 and 20 of February of this year. These athletes have been practicing their strikes and splits all season and proven that it takes skill, talent and a strive to put in their best efforts, in each

frame.

Brinley Skaggs the Captain of the Wildcat bowling team is state bound heading to Taylor, Michigan February 28 representing the Lakeview Wildcats bowling league. What's her secret to her success? Brinley uses a venom shock motive bowl-

ing ball. It was her very first bowling ball and is beginner friendly to start out trying to hook the ball. Brinley likes to also switch to a lighter ball with the dryer lane length to make the aim easier to control.

"Brinley has been part of this program since her freshman year and each

season raised the bar. She is a two time all conference champion, a two time state competitor and a leader in every sense of the word." - Teri Skaggs, Brinley's mom.

She practices outside of high school building up confidence and gaining the experience. This extra practice makes sure she is ready to help lead her Wildcat league into some fierce competition.

Bowling is Brinley's favorite sport to play and watch. Her favorite thing about her team is the many different types of personalities and characteristics. No one team player is the same, everyone is unique. All of these bowling styles brings everyone together making one awesome team.

Brinley's role model is her mom. Her Mom is someone who gets through life resiliently. Brinley thinks resilience is a great trait and hopes it indeed runs down the family bloodline.

It's tough staying positive in competitive matches for the team. How do the Cats handle this? The players joke and laugh and this helps take the pressure off. The goal is to have fun, to not take it so seriously.

When asked what was the best Coach advice Brinley ever received it was her first Coach in bowling. "Bowling al-

though simple can carry so much weight. But its just bowling." She carries that with her in high pressure games.

Brinley's goals after high school is college. She wants more than anything to be on the college bowling team. Two schools have reached out to her offering a spot on their league, Alma college and MCC. She is grateful for the opportunity and excited to look toward her future in a bowling career.

The star player and captain has stated, "I would definitely like to shout out to my teammates and also Grace Engelsman. Grace is blossoming as a bowler," and close to Brinley. Brinley is so proud of her friend Grace and each and every teammate.

The season regional were a bit of a struggle but thanks to the team efforts and determination the outcome was more than a coach could hope for. Everyone is so proud of Brinley and each and every bowler as they continue to let everyone know just how amazing each player makes up the Wildcat bowling league.

This team has so much skill and talent from captain to all the bowlers and take pride as a fellow Wildcats Sports Team. Congratulations to Brinley and the entire Lakeview Wildcat bowling team. Go Wildcats!!!
